

Is your stamping supplier diversified enough to survive the current automotive downturn?

- Today's 780 North American automotive metal stampers are expected to consolidate to less than 400 companies by 2017 – *Plante & Moran*
- 22% of the auto supply sector overall is in distress – *BBK Ratings analysis, 2006*
- 46% of privately held suppliers (more than double the public sector) are in distress – *BBK Ratings analysis, 2006*
- 38% of the supplier base is at risk for bankruptcy – *AlixPartners study, 2006*
